July 14, 2005

Rain and Threat of Storm Delays Race: Lunch was held on land today as thunder rumbled in the distance and a threat of possible lightning and heavy rain was forecast. The storm passed to the north and the races resumed.

PEG BEADLE

Bright, upbeat, smiling, energetic, helpful, "vertically challenged"; all these adjectives as well as many more, all positives, describe the dynamic Peg Beadle who is so important to our Sunfish Association. I asked what started her in the sport; "I was Terry's logistics manager when he was racing". From there, Sunfish racing became a family affair when their three boys got into Sunfish sailing. Since "the boys broke a lot of stuff", Peg and her husband Terry got into the Sunfish parts business (The Sailboat Garage). In 1988, Peg took over the task of getting out the Class newsletter, "The Windward Leg" which she did for the next four years. In 1989, she and Terry took on the task of reorganizing and running the office of the United States Sunfish Association, which they continue to do to this date.

They went to their first Sunfish North Americans in 1972; they have been to many since then, as well as a few of the Sunfish Worlds. However, instead of racing, now Peg comes to see old friends and to make new ones. "We do this as way of giving back to the sport that helped us raise our kids". "Sunfish people are such good people". They all must use Peg Beadle as their role model! Thank you Peg Beadle!

Interview by Bill Miller

The voice of the sea speaks to the soul.

The touch of the sea is sensuous,

Enfolding the body in its soft, close embrace.

A Special Thanks!

Our Regatta Committee; Chairman, Steve Nieblas and Co-Chair, Jeff Futch; with assistance from Connie Miller, Peggy Maull, Betsy Schmidt, Don Bland, Merritt Burke, Carl Schultz, Bill Colgan and The Lester Family have earned the gratitude of the United States Sunfish Association and the LYC. The many hours of meetings and dedicated hard work, countless lists, calls and emails that they provided made this Championship possible

Unless one is among the group that is primarily or even peripherally involved with an undertaking of this scope, one cannot fully realize the effort that these members have put forth to make this event possible and successful.

We are proud of their efforts and dedication to the sport. **Congratulations and Thank you ALL!**

Lest we forget:

The Breakfast Club crew: Committee: Robin Lester, Linda Fisher, Barbara Petterson, Bob “the coffee man” Petterson, Alice Goetz and Ginger Henriksen.

A big hand to these hardworking members who were at the club every morning; plus many, many thanks to the sixty-eight ladies who contributed the baked goods, fruit, orange juice and eggs for the six days, many contributing for more than one day!

Many Thanks to all!

Since this has become the “thank you” page, the editor would like to thank Christina Lindemer and Adam Beaugard for their enthusiasm, responsibility and contribution of articles. Many thanks to Sonya Edwards, my patient friend, helper and second “sounding board”. She has also shared her pictures with the “Telltail” and is our very able LYC Webmistress. Very grateful thanks to my husband, Bill Miller, who has had patience, tolerance and fortitude; as well having been my scout to the LYC for last minute information; writer, interviewer and without whose help these pages would not have been possible.
