Tour-de-Lake Season Finale

Long Distance Race – 28 Miles

The annual Around-the-Lake Race starts at CYC and goes to a turning mark slightly north of Woodville at the southern end of the lake. After rounding ~~Cape Horn~~ the southern mark, all boats return to CYC.

The event is open to all classes of boats. This event is particularly worthwhile when the wind is from the West and makes for some good sightseeing & introspection. Anyone who competes in this race is a winner.

9:00 am Start: In front of Canandaigua Yacht Club

2:00 pm onwards: After-Sail-Social at the Club-House
